5. HOW TO MAKE A REPORT & OBLIGATIONS

5.1 Overview

AFL People must report child abuse and other inappropriate behavior in relation to a child or young person that they are informed of, observe or suspect. A summary of the Incident Reporting Process that all AFL People must follow is set out at Appendix 1 to this Complaints and Reporting Procedure.

Immediate action will be taken in relation to any matter reported to the AFL. The AFL will act with integrity, provide strong leadership and make decisions that are child centered, trauma focused, legal, ethical, accountable and transparent whilst meeting national legislative requirements.

5.2 Reporting Person's Obligations

- **Step 1:** If the child or young person is in imminent risk of harm or immediate danger, the reporting person is required to report the situation directly to the police - CALL '000'.
- **Step 2:** Regardless of whether the matter is reported to the police, it is imperative that the reporting person immediately contacts their AFL Manager.
- **Step 3:** When practical, the reporting person must make a report on the AFL's online reporting platform. In some circumstances, the reporting person's AFL Manager may take a statement and formally record the statement on the online reporting platform. The online reporting platform can be accessed via this link:

Further information in relation to the AFL's on-line reporting platform is set out in paragraph 9 of this Complaints and Reporting Procedure. All AFL People retain the right to report directly to relevant authorities, such as police or child protection, any concerns they may have in relation to the safety and welfare of a child or young person, regardless of whether or not they have also reported the matter internally.

5.3 AFL People Reporting Obligations

When an AFL Manager is notified by a reporting person (subject to Step 2 of section 5.2) of an incident, they must;

1. ensure the reporting person makes an online report as per Step 3 of section 5.2;
2. provide advice and guidance as per the step-by-step process detailed in section 5.2, being mindful of requirements set out in section 4 of how to respond to a disclosure;
3. provide general advice and guidance on 'what' to report and the Policy's purpose;
4. notify the AFL Integrity & Security Department by email of the notification as soon as possible to ensure the report is received by the AFL Integrity & Security Department; and
5. not provide investigative advice to the reporting person unless consent is provided from the AFL Head of the Integrity & Security Department or nominated delegate.

In taking a report or disclosure of an incident from others, the reporting person or AFL Manager is not to assess the validity of such allegations or concerns, but to report all allegations as described in the step-by-step process outlined in section 5.2.

6. REPORTING TIMEFRAMES

Reports and notifications must be made as soon as practicable and no later than before ending that person's shift or session of work.

7. WHAT HAPPENS TO A REPORT

7.1 AFL Integrity & Security Department's Obligations

- receive the online report through its secure Incident Management System (IMS);
- contact the reporting person;
- conduct an assessment of the disclosed information;
- ensure adequate support services are provided to all relevant persons; and
- notify the relevant Law Enforcement agencies if criminality has been identified, pursuant to mandatory reporting compliance.

7.2 Mandatory Reporting Provisions

In Australia, each state and territory have child safety laws that set out mandatory reporting responsibilities and timelines for both organisations and individuals who work or have contact with children and young people.

- AFL Integrity & Security Department
- Relevant regulatory/oversight bodies in states and territories that administer mandatory reporting schemes
- (Where the report or disclosure does not relate to the AFL or AFL People) Independent League / Administration through the engagement of independent investigative and welfare services.

NOTE: At no stage will the ISD investigate in parallel to a State or Federal Law Enforcement Agency (i.e. Police) investigation. The ISD, will only investigate once they have received confirmation and permission in writing from the relevant Law Enforcement Agency (i.e. Police) that their investigation is completed.

The investigation reporting process is set out in Appendix 2 to this Complaints and Reporting Procedure.

9. REPORTING PLATFORMS

As part of the AFL's procedures for responding to reports or allegations of child abuse and other inappropriate behavior, the AFL has developed an online reporting platform for reports in relation to children and young people safeguarding matters. This platform is to be used by all AFL People to document and report any allegation, disclosure, incident or concern regarding Child Abuse or other inappropriate behavior in relation to a child or young person.

To prevent access by unauthorised persons to any documents or reports, the ISD will oversee the creation of a secure case entry on the IMS that will contain;

- the completed online report and its particulars; and
- any other documentation (physical or electronic) relating to the allegation.

The ISD will be responsible for maintaining and regularly monitoring the relevant records using the IMS (Case Management) processes to ensure that they are responded to effectively in accordance with this procedure and that requirements for reporting to external authorities are complied with.

10. CONFIDENTIALITY & PRIVACY

The ISD maintains the confidentiality and privacy of all concerned (including the alleged perpetrator), except if doing so would compromise the welfare of the child or young person and/or investigation of the allegation.

The AFL Head of Integrity & Security will be responsible for the authorisation of the disclosure and sharing of any information relating to any incident reported pursuant to this procedure.

11. MONITORING

All reports recorded on the IMS will be reviewed by the AFL Head of Integrity & Security. As part of the AFL's commitment to continuous improvement in child safety practices, incident data will be reviewed on a regular basis to identify any trends and act accordingly.

The AFL Head of Integrity & Security (or a nominated delegate) is the only person authorised to close a case and will ensure all relevant persons have been informed of the outcome.

12. DEBRIEF SUPPORT FOR AFL PEOPLE

It is acknowledged that disclosures of harm and/or abuse can be traumatic for every person involved. If an AFL person requires assistance or support to debrief about an incident, allegation and/or disclosure they are encouraged to discuss this confidentially with their manager and/or access the Employee Assistance Program (EAP) to speak with a counsellor (EAP Tel: 1300 687 327).
