

CHASE THE BOUNCER

LVL
3

HOW TO PLAY

- 1 When you say "Go", the player with the ball runs around the edge of the square, bouncing the ball on each side of the square. The chaser runs around the edge and attempts to catch the bouncer and tag them.
- 2 You can even try having players take two bounces on each side of the square, or even three.
- 3 Swap roles and start again.

EQUIPMENT

1 football and bib for each pair for Auskickers, a stack of cones and an adult per group.

SET-UP

Split Auskickers into pairs and create 10x10 metre squares in the playing area. Make as many squares as you need for the group.

Give one player the football and have them stand by a cone, they are the 'bouncer'. Their partner 'the tagger' stands at the cone diagonally across.

CHANGE IT UP

Try playing in threes instead of pairs. Or have an extra player on the inside of the square for the bouncer to handball to after each bounce.
