

Learning activity:

Compare and contrast

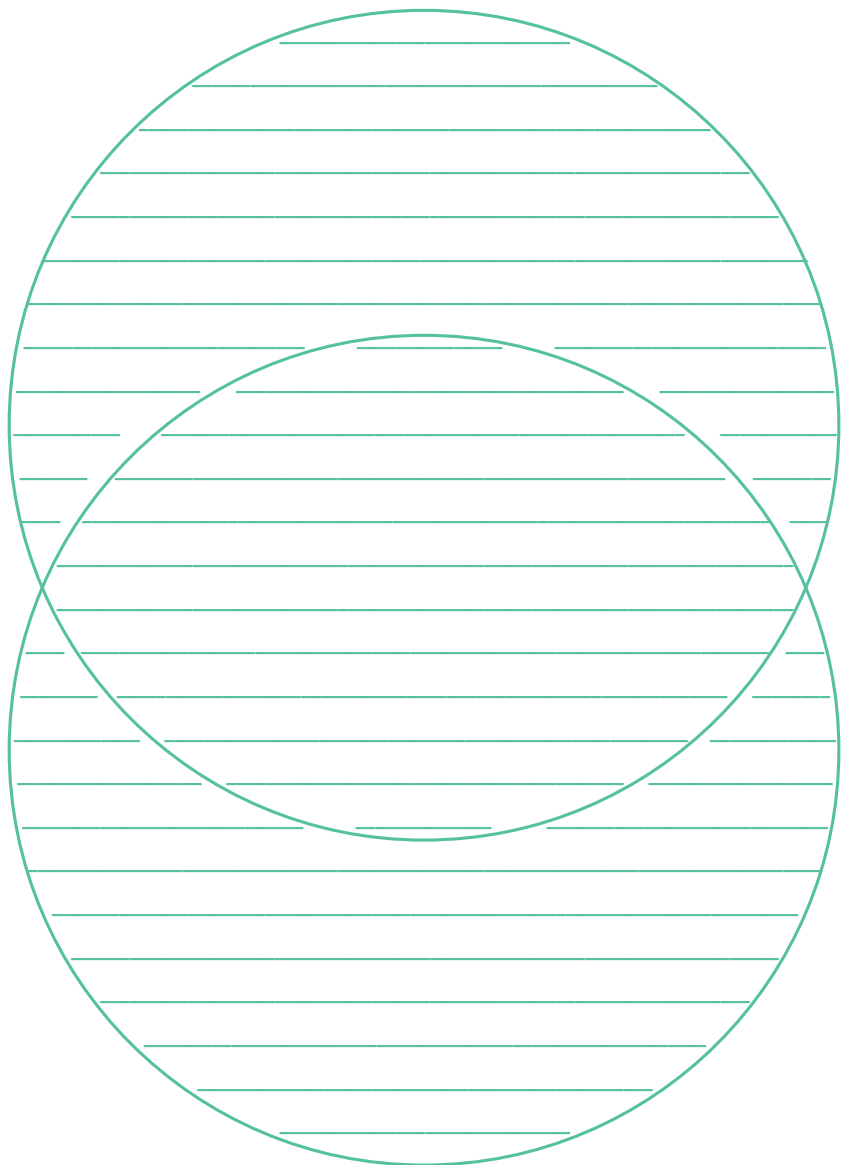

Student name

Do some research about the AFL. Can you create a Venn Diagram comparing the AFL with another sport? Show how they are different by recording your answers in the outer circles. Show how they are similar in the middle section. Draw or write your responses.

AFL

How are they alike

Choose your own sport

Is there another way you could represent the information?

How would you compare three sports, draw a new Venn Diagram to show how this could be done.
