

Project Make a Difference

Good leaders strive to make a difference in their communities.

How can you make a difference in your school community? Use the scaffold below to help your team plan and execute **Project Make a Difference**.

Team Members

Task	Notes
The problem/situation we have chosen is ...	
Our driving question is ...	
We are interested in this issue because ...	
To raise awareness about this chosen problem/situation our group could....	Brainstorm ideas here:

The activity we have chosen to run is ...

This activity will make a difference and be inclusive by...

How will you organise and run this activity? Consider roles/responsibilities, resources, timeframe.

**Remember that each team member needs to be able to demonstrate leadership within their role.*

Group reflection

- What did you learn about teamwork through this project?
- Did your activity help to raise awareness of your chosen issue/problem and make a difference within the school environment?
- In which steps of the project did your team members show attributes of good leadership?
- What would you do differently next time and why?
