

THE AFL & PREMIERSHIP CUP TOUR 2023

Learning Activities

There are lots of fun activities to choose from below. Use the templates below to celebrate the Cup coming to your school!

- Draw and design a new Premiership Cup!
- Write an acrostic poem using the words 'Premiership Cup' using the AFL as the theme words.
- Use the Premiership Cup picture to design a mindful colouring activity by including intricate detail in black and white and swap with a partner to colour it in.
- Research the history and meaning of awarding the winners of the AFL Grand Final a Premiership Cup.
- Do some Premiership Cup mathematics calculations. How much would it weigh? What are its measurements? How much water would it hold? Make some estimations and check your answers.
- Map the journey of the Premiership Cup around Australia.
- Write a story about the Cup, it could be called "The tale of the magic Premiership Cup".
- Build and design your own Cup, consider what materials you might use.
- Write a recount about the Premiership Cup visiting your school. It could be written from the Cup's perspective.

Premiership Cup Maths!

- How much would it weigh?
- What are its measurements? Height? Width?
- How much water would it hold?

Make some estimations and check your answers.
Choose four different objects to estimate and complete the calculations.

1

Estimate and check how many cups of water it takes to fill a bucket.

2

Find three containers. Find out which container has the **biggest capacity** and which container has the **smallest capacity**.

3

Find two containers. Count how many cups of water each container can hold. Find the **difference between** their capacities.
