

An opportunity exists for NSW to deliver a Posts in the Park & School initiative which would see the installation of AFL goals posts in selected local parks, existing sports fields, and schools across Sydney. The purpose of the initiative is to provide the following benefits:

- Unstructured and social activity
- Adds to existing local neighbourhood or School infrastructure
- Supports skill development for users to transition into a football club environment
- Encourages green time v screen time
- Could provide locations for club users or casual players to practice their skills without impacting oval
- Minimal costs for Local authorities and Schools

Expressions of Interest are encouraged from the Metropolitan Sydney region for suitable spaces that would benefit from have a set of AFL posts.

The following criteria should be considered for Posts in the Park and Schools locations:

- Near or within suburbs with an existing AFL club
- Future opportunities for AFL infrastructure or content
- A Share our Space School
- High exposure and promotion opportunity
- Schools/Community engaged in AFL programming

Please complete the following details, email through to nick.baglin@aflnswact.com.au to start the assessment process. Note – needs to be a new site and not replacing existing posts
