

**PLAY**

### **Sport of Choice**

The best and most exciting athletes choose Australian Football as their sport.

### **Equal Opportunities**

Regardless of background or geographic location - equal access to quality coaching and off field development.

### **Deep Talent Pool**

Talent emerges from the vast community football network. Strong relationships across the Territory with community clubs.

### **Set up for Success**

Provide the tools and experiences to effectively transition into an AFL program - long and healthy career in the game and successful transition into a career after football.

### **Showcase Capabilities**

Best young players are given quality opportunities to demonstrate their skills, personal qualities and capabilities to club recruiting teams.

### **Prepare for the Future**

Support transition to emerging adulthood; opportunity to benefit from learnings. Experiences and share them with their local clubs and communities throughout their football journey, no matter the level.
