TAC CLUB REWARDS PROGRAM – PROVIDING AN INVOICE

After the close of the Grant Program application portal, the TAC and AFL Vic team will review all applications and judge submissions based on the assessment criteria to allocate funding. Each application is reviewed individually and can therefore be a comprehensive process.

The SmartyGrants portal will inform Clubs of a successful or non-successful outcome, with these emails being sent to the email address linked to the application. Please ensure you inform the provided AFL contact if there any changes to any contact details throughout the period of the Grant program.

For Successful Clubs:

When providing an invoice please consider the following.

- Please direct the invoice to the AFL
- Include GST in the invoice **ONLY** if your Club is registered for it
- Please include your Club's name and application number on the invoice
- Ensure you provide the same bank details as listed on your SmartyGrants application. If any changes to bank details, please provide a proof of account or bank statement alongside invoice to confirm new details.
- Please note that funding payments will be distributed by AFL Victoria, not the TAC.

Please understand invoices will be confirmed and cross checked individually. While this is a long process, we aim to work through this as best as we can. You will be notified once your invoice sits with our AFL Finance team.
