# FROM THE COACHES

The University Cougars Senior Men's team has attacked the 2025 season with the vigour, enthusiasm and intensity that you would expect from such a young group. With a combination of returning players from previous years and some new additions, the team has been building consistently throughout the year. Working hard on a game style that promotes attacking football, the players have learnt to trust each other and their growing understanding of the modern game of AFL.

It has been an exciting year that has seen all players across the full breath of the team develop and reach a new level of skill, game sense, competitiveness and love of football. Some strong team performances towards the end of the season have been the pillars that have seen the "Cougar Cubs" launch into the finals in good form.

Our opposition in Coolaroo have been the benchmark of the competition for several years. They have quality players across the entire field and are deserved favourites going into the Grand Final. We are expecting a physical and hard-fought match where the best two teams of the 2025 AFLDD Senior Men's competition will go head-to-head in the final match of the season.

**DOUG MAXWELL**  
UNIVERSITY

2025 another season in the bag , in what I would call a new look Roos we had 7 different faces from last years grand final side in round1 and 3 club debutants 2025 also seen us use a whopping 47 players something we haven't seen during my time, as we come into our fourth straight grand final we're excited for the battle ahead we've 4 tight matches this season with Uni at 2 a piece so we're excited for another great battle with Uni Saturday, there's nothing like grand final footy bring it on can't wait!

# FROM THE COACHES

The 2025 season has seen the Toowoomba Tigers AFLW team commence a rebuild after losing 10 players from last year's premiership team. The club was fortunate to have a core group of young players to work with and take to the next level. Mixed with a handful of experienced premiership players the team has moulded into a very strong unit who play a brand of football that is team focused.

Our opposition in Goondiwindi deserve their place in the final and will provide the Tigers with a challenging match. The Tigers have built a foundation of success and a winning culture by going through the season undefeated however the girls know that the job is not yet done and are totally focused on finishing the season on a high.

**PAUL WHITE**  
TOOWOOMBA

This year has been about rebuilding, with a side full of young and inexperienced players.

We had a slow start to the season, but the group kept working hard and continued to improve week by week. As a coach, there's no greater satisfaction than seeing the girls grow in confidence and ability each time they take the field.

Our goal was simple, make the top four. We achieved that and from there, anything can happen. The Toowoomba TigerS have been the benchmark for a long time, with a strong record in grand finals.

To bring home the big prize this year, we'll need all 21 players at the best, contributing for each other and for the club. If we do that anything is possible.

# FROM THE COACHES

The U15 boys began the year with a slow start, struggling for numbers and often relying on the support of our U13s to help fill the side. Results were a mixed bag of wins and losses, with many of the losses going right down to the wire. Injuries also sidelined some of our key players, while lightning and hail even tried to throw Mother Nature into the contest. Week by week, however, the boys grew through experience and teamwork, learning to back each other in every battle. Several games came down to nail-biting finishes, and in those moments the Tigers' resilience and hunger for the big stage truly shone through.

Their determination was on full display in the first preliminary final against Souths, who had dominated the season from the top of the ladder. In a fierce contest, the Tigers fought tooth and nail to claim a remarkable 31-point victory over the minor premiers, booking their ticket to the club's first-ever U15 boys grand final.

Now, the Tigers are ready to bring everything they have and claw their way to victory. We wish all coaches and players the very best of luck as they take on the challenge ahead.

**JEFF SLADE**  
TOOWOOMBA

The 2025 Under 15 Bombers Boys have already put together a fine season, exceeding all expectations set back in April. This excitable and committed group have built a remarkably strong culture, where their enthusiasm for footy, care for one another, and willingness to take the game on has shone through each week. With strong numbers and even stronger spirit, the Bombers boys have shown big hearts, growing skills, and a genuine commitment to playing for each other. After a great final week of training, they've given themselves the best possible opportunity to succeed on the biggest stage.

We're grateful to Coolaroo, Tigers and USQ for the great contests across the year, and to AFL Darling Downs for delivering another fantastic season. As we head into the Grand Final, we're proud of the effort, growth and connection this team has displayed, and we look forward to one last chance to showcase who we are. Whatever happens on the day, this group of youth footballers should be proud of all they've achieved in 2025. Best of luck to all involved – and go the Bombers!

# FROM THE COACHES

As the first season of u15's girls footy comes to a close it is left with mixed feelings. It has been a hard year of building and working to form a team of girls who love footy regardless of winning or losing. On one hand we look forward to a break before we kick off again next season and on the other there is a sense of sadness of not being together as a little footy family who laugh, cry and work together to grow in skills and knowledge of the game. As a coach it has been an absolute pleasure to work with each and every girl in our team they all bring something unique and are all a valuable part of our footy fam from the most experienced to the least. Their courage and dedication has shined through in every loss and joy in every goal scored! But the best blessing for us as a team has been the footy community between the 3 girls teams this year. A camaraderie that has seen us share players between us, celebrate the highs and the lows and encourage the girls in their love for the game. Honestly the way the teams have supported us has been amazing all rivalry put aside so we could work on building girls footy here on the downs and I am truly grateful for this kind of community spirit! Now we have this wonderful opportunity to continue this flow on by doing a mixed grand final to celebrate and promote girls footy here on the downs to continue building for next season and the years to come. Bring on Saturday, Let's go girls and show why girls love footy!

Bek

**BEK WALSH**  
COOLAROO

The South Toowoomba Bombers have proudly concluded their inaugural U15 girls season, an inspiring milestone in the club's history and a major stride for female footy in the region. Beginning the year with just nine players, the team quickly grew, thanks to the relentless efforts of their assistant coach and a group of determined core players.

Throughout the season, the girls faced challenges head-on, often playing back-to-back games, sharing players with other clubs, and adapting to tough conditions. From scorching days in Warwick to freezing mornings at Rockville, the team's resilience never wavered. With players from diverse sporting backgrounds, including rugby, the Bombers brought passion, physicality, and teamwork to every match.

Highlights included every player scoring a goal, milestone games for Bianca and Ellie (50 games), and Allie-Mae finishing just shy of her 100th. Leading goal scorers Ellie Sharpe and Lilah Talbot helped drive the team forward.

To cap off the season, the Bombers will proudly take part in a special U15 girls exhibition match alongside players from all three regional clubs. The match will showcase the incredible talent and growth of female footy in the region, while celebrating the achievements of the season and the pride of playing as Bombers.

Looking ahead, the South Toowoomba Bombers U15 girls are more motivated than ever to build on this strong foundation and continue blazing a trail for the next generation of female footballers.

**DANNIELLE DAVIS**  
SOUTH TOOWOOMBA

# FROM THE COACHES

The 2025 season was a milestone year for the Toowoomba Tigers U15.5s. Our team proudly secured the minor premiership, a testament to the hard work, dedication, and teamwork shown by every player throughout the year.

This season also marked a historic moment with the introduction of the first-ever Girls U15.5s competition, an exciting step forward for the growth of our club and the game in the region. To support both squads, we welcomed younger talent from the U13.5s, who stepped up with maturity and enthusiasm, showing that the future of the Tigers is in very strong hands.

The foundation we've built this year goes beyond just results—it's about fostering skills, resilience, and a strong club culture that will carry into the coming seasons. Congratulations to all players, coaches, families, and supporters who made 2025 such a special year for the Tigers.

# FROM THE COACHES

The Coolaroo under 13s have had another fantastic year. All players have shown immense determination during trainings and at all games. The passion that is shown in each training session makes it easy to coach these great young people. As a coach I could not be prouder of all players who have played during the year. Everyone has shown and implemented the values of the Coolaroo Football Club in all aspects of the game.

No matter the outcome, everyone from the Coolaroo Football club is proud of how far we have come. Cheer on the blue and white this weekend. Go Roo's

**THOMAS CLAYDON**  
COOLAROO

After a stellar season, a maiden grand final appearance awaits the Tigers u13.5 Mixed team. Previously falling short in the preliminary final in 2024, they were hungry to go one better in 2025!

The Tigers surged early and late, experiencing a rough patch at the halfway mark of the season, losing two games. Our biggest hurdle, the competition benchmark Coolaroo, will be looking at an amazing feat of a three-peat on Saturday!

But we have trained hard in the finals series after going down to the Roos in the qualifying final, and the team will be even hungrier to get the job done on Saturday! A new experience for the team on the biggest stage!

We are expecting a hard battled, close game on Saturday. Coolaroo have a very strong team that will be challenging to compete with. The tigers will be bringing their best efforts and four quarters of Tiger footy!

Good luck to both teams on the day!
