

AFL MERIT AWARD RECIPIENTS

The graphic features a dark background with a series of curved, parallel lines that create a sense of motion and depth, resembling a stylized wave or a series of concentric arcs. The lines are light gray and curve from the bottom right towards the top left, creating a dynamic, flowing effect.

HISTORY OF THE AFL MERIT AWARD

From 1995 until 2019 (plus one outlier in 1931), Merit Award recognition was provided to a select number of individuals annually. The number of annual recipients is typically two from each of NSW/ ACT, QLD, SA, VIC & WA and one from NT & TAS. From 1955-1995 it was referred to the “NAFC” Merit Award and since then re-branded as “AFL”.

WHO IS ELIGIBLE FOR AN AWARD?

1-2 people per State / Territory (“S/T”) per year. Combining longevity of service & overall positive impact across community / state league football.
