Laws of Australian Football rule adjustments:

With the AFL's recent announcement of the seven (7) rule changes for the 2026 season, AFL Queensland can confirm it will fully adopt those changes for all AFL Queensland managed competitions in 2026 (unless stated otherwise below). Those changes are as follows (defined terms are as per the *Laws of Australian Football* or *AFL Queensland Community Competition Rules and Procedures*):

- Remove the requirement for a Player to start in the Goal Square at each centre ball-up.
- For Senior Competitions only, introduce a Free Kick for the last disposal Out of Bounds in between the 50m arcs (for clarity, Youth Competitions will remain as per s 17.5(m) of the *AFL Queensland Community Competition Rules and Procedures*).
- At all centre ball-ups, a competing Ruck cannot cross the Centre Circle line and engage with the opposition Ruck, prior to contesting the football.
- Around the ground, the Umpire may restart play without a nominated Ruck being present.
- A shrug in a tackle will be deemed a Prior Opportunity (i.e., as an attempt to evade or fend an opponent).
- A Player must stand if they are within the Protected Area (i.e., within five metres) when a Mark or Free Kick occurs.
- The interpretation of 'reasonable time' for a Player to bring the football back into play from a Behind being scored and the time allowed for a set Kick around the ground. Currently, 'reasonable time' for kick-ins is twelve (12) seconds, whereas around the ground is eight (8) seconds. Players will now be allowed eight (8) seconds in both instances.
