CHAIRMANS REPORT
MIICHAEL IRONS

Welcome to the Riverina Football & Netball League Grand Final day as we celebrate another fantastic season of football and netball across our region. Grand Final day gives us the opportunity not only to crown our premiers, but also to reflect on a season that has once again showcased the passion, resilience and community spirit that make football and netball such an important part of life in the Riverina.

On behalf of AFL Riverina, I would like to congratulate all the teams who participated in the 2026 finals series and acknowledge today's grand finalists for their efforts in reaching the biggest day of the year. Each club, player, coach, volunteer and supporter has played a part in what has been a memorable season. Every club featured in this year's finals series, highlighting the depth and balance that continues to exist across our competition. The quality of football and netball throughout September has reinforced the strength of the Riverina Football & Netball League and the important role our clubs play within their communities.

A highlight of the year was the Jim Quinn Medal Night, held in front of a fantastic crowd and celebrating the outstanding achievements of our league's players and contributors. Congratulations to Luke Redfern of Coolamon, who capped off another stellar season by claiming back-to-back Jim Quinn Medals, and to Jenna Richards of Griffith, who secured her second A Grade Best & Fairest award, adding to her previous win in 2024. Both are outstanding achievements and reflect the consistency and quality each has displayed across their respective competitions. It was also fitting to see Gail Kimpton of Collingullie-Wagga recognised as our Volunteer of the Year, acknowledging her outstanding contribution and dedicated service to her club. Congratulations also to all other award recipients across the grades – your achievements reflect the talent, dedication and commitment that continue to make our league strong.

Today's Grand Finals deliver two compelling match-ups and a fitting conclusion to an outstanding season. In Senior Football, Coolamon and Turvey Park have earned their place on the competition's biggest stage after taking very different paths to the decider. Coolamon has been the standout side throughout 2026, completing the home-and-away season undefeated before carrying that impressive form into the finals. Turvey Park, meanwhile, has taken the long road from fifth position, producing a determined finals campaign to earn its place in the Grand Final. Their contrasting journeys set the scene for what promises to be a fascinating contest for premiership glory.

In A Grade Netball, Mangoplah-Cookardinia United-Eastlakes and Collingullie-Wagga will battle for the premiership after outstanding seasons of their own. Both sides have consistently been among the competition's strongest performers throughout the year and have earned their place on the Grand Final stage through consistency, determination and quality performances when it mattered most. With both teams now just one win away from the ultimate prize, it promises to be a fitting finale to another highly competitive A Grade season.

Of course, none of this would be possible without the support of our partners. I extend our thanks to our premier partner, Riverina Fresh, whose commitment to regional sport is unwavering. We also acknowledge the Rules Club, VISY Logistics, McDonalds, GTES Employment Services and our media partner The Daily Advertiser for their ongoing contribution to football and netball in our communities.

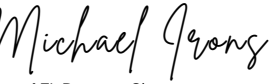

A big thank you also goes to our umpires, both football and netball, league appointed and club volunteers, who often take on one of the toughest jobs in sport. Your efforts are greatly appreciated.

To the AFL Riverina Board, Competition Committee Members, and the AFL (NSW/ACT) staff, thank you for your dedication and support throughout the year, especially during finals.

To Luke Olsen, who finishes his time as our Competition Manager following today's Grand Final, thank you for your dedication, support and contribution over the past three years. With so many passionate people involved at every level of our competitions, the role can undoubtedly be challenging at times, and your professionalism, guidance and willingness to work with our clubs and the Board have been greatly appreciated. We thank you for everything you have contributed to AFL Riverina and wish you all the very best for the next chapter.

Finally, I want to recognise and thank the countless club executives and volunteers whose tireless contributions are the heartbeat of our game. Our clubs are more than sporting organisations – they are central to the strength and spirit of our communities.

To all players competing today – well done on your season so far and best of luck in your pursuit of premiership success.

GRAND FINAL DAY PREVIEW

JIMMY MEIKLEJOHN

After one of the closest Riverina League seasons in recent memory, Coolamon and Turvey Park will face off in the grand final at Narrandera Sportsground.

The two teams have had polar opposite journeys to the decider, with the Hoppers earning straight passage after a comfortable 50-point second qualifying win over Mangoplah-Cookardinia United-Eastlakes.

However, the Bulldogs fought their way through three sudden-death finals, including a nail-biting eight-point win over Ganmain-Grong Grong-Matong in the semi-finals.

The two sides also had vastly different years in terms of their results in the home-and-away season.

The Hoppers secured the minor premiership with a perfect 16-0 record, while the Bulldogs didn't even lock in their finals berth until later in the season.

Coolamon has had the better of the Bulldogs in both of their prior contests this season; however, that doesn't tell the full story.

First meeting in Round Two, Turvey Park held a 14-point half-time lead at Maher Oval. However, the Hoppers fought back strongly in the second half, which saw them boot six goals to one in the third quarter to help guide them to a 21-point victory.

Their most recent meeting occurred in Round 13 at Kindra Park, and yet again it was the Bulldogs who were able to open up a slight lead.

Ahead by 22 points at three-quarter-time, the Bulldogs then conceded five last-term goals to fall by eight points.

In terms of players to watch from a Coolamon perspective, you can't go past the midfield duo of Luke Redfern and Haiden Schloithe.

Redfern recently claimed his second Jim Quinn Medal, although it probably would've been won by Schloithe had he not injured his groin and missed the last part of the season.

Tim Coenen, Cooper McKelvie, Braeden Glyde, and Aiden Macauley are also expected to play key roles for the Hoppers on Saturday.

For the Bulldogs, Luke Fellows has had a sensational season which saw him crowned the Riverina League Player of the Year.

There's also been quite a few players who have really lifted during the finals series for the Bulldogs, including Tom Baxter, Jordy Endemann, and Lucas Roberts.

While the Hoppers likely enter as favourites on the back of their undefeated season thus far, Turvey Park has played some simply sensational football over the past three weeks.

Although they only barely scraped over the line against GGGM, their win over Wagga Tigers in the elimination final was a lot more convincing, as they surged to a 67-point victory.

They also delivered a masterclass in the preliminary final on Sunday, storming to a 62-point win over MCUE.

With only one genuine contest so far in the finals series, hopefully these two sides can deliver an entertaining and enthralling finish to what's been a fantastic season.

COACHES REPORT

What a great day for our players, families, green hats, supporters and the whole Coolamon community.

Days like today are what community footy is all about. There will be people around the ground who have played in Coolamon jumpers, coached teams, washed jumpers, strapped ankles, worked in the canteen, sat on committees, sponsored the club, driven kids to training or simply turned up week after week to support green.

Today belongs to all of you as well.

One of the great things about being involved with Coolamon is understanding how much this Club means to so many people. Current players are only ever the custodians of the jumper for a period of time. Plenty have worn it before them and plenty more will wear it after them.

That history and connection is part of what makes Grand Final Day so special.

To our past players, we hope you feel a real part of today. The standards, friendships and stories built by generations before this group are part of the club we represent now.

To our families, thank you. You see the time and commitment that goes into a footy season better than anyone. You ride the highs and lows with us, make plenty of sacrifices along the way and are a huge part of why our players get to enjoy this opportunity today.

To our volunteers, Board, sponsors, members and supporters….. Thank you for everything you do to make Coolamon the Club what it is.

And to everyone from Coolamon (…and afar) who has made the trip and will be lining the fence today make some noise, wear the green proudly and enjoy it.

Grand Finals are hard to get to and should never be taken for granted. Our players have worked incredibly hard to earn the opportunity to represent our Club on the biggest day of the season.

Whatever happens today, we should all be proud to be Coolamon Rovers.

And while we're here….. let's enjoy every minute of it. Go green!!

Enough is enough!

PRESIDENTS REPORT

To our Members, Supporters, and extended Grasshopper family, welcome to Grand Final Day. What a proud moment it is to be a Grasshopper!

On behalf of the entire CRFNC board, I want to extend a massive congratulations to our Senior Football Team and our C Grade Netball Team on securing their place in the Grand Final. This achievement is a testament to the grit, skill, and Club spirit that defines Coolamon.

Getting to this stage of the year does not happen by accident. It is the result of countless hours of hard work.

To our incredible players: your dedication to each other and to the uniform has been inspiring to watch. You have dug deep when it mattered most, played selflessly, and earned every bit of this opportunity.

To Gav McMahon and his coaching team, and to Chloe Parr and hers, your leadership, and ability to bring the absolute best out of your groups has been outstanding. Thank you for setting the standards and guiding our teams and Coolamon community to this moment.

Behind every team is an equally great army of support staff. To our trainers, runners, medical team, and volunteers, thank you. You are the unsung heroes who keep the wheels turning, ensure the players are looked after, and make sure everything runs seamlessly week in, week out. We couldn't get to this point of the season without you.

To our Coolamon community, let's get behind the players, bring the noise, and show everyone the true strength of Coolamon.

Go the Mighty Grasshoppers!

COACHES REPORT

Firstly, congratulations to all teams competing in a Grand Final today. Reaching the final weekend of the 2026 Football and Netball season is a fantastic achievement.

Our journey to the Grand Final has certainly had its twists and turns. After an inconsistent start to the year, we showed glimpses of what we were capable of. As the season rolled on, our team chemistry grew and results started to turn on the back of effort, determination and everyone embracing their role within the team.

We managed to fight our way into finals late in the home and away season. Since then, our finals campaign has been built on some strong wins, creating a real sense of belief and excitement amongst the group.

We are well aware of the massive challenge ahead of us today, coming up against an undefeated Coolamon side. We know we will need to be at our best, and we will need all the support we can get from the Turvey Park community.

Regardless of today's result, as a coach I am incredibly proud of what this group has been able to achieve this year. They have gone well beyond what many expected of them, and they have done it by sticking together and playing for one another.

I know the boys will give everything they have today and will do themselves, each other and the Turvey Park Football and Netball Club proud.

One to go.

Dylan Morton

PRESIDENTS REPORT

Congratulations to all the teams playing in Grand Finals today, it's reward for effort and a huge achievement to represent your club on the last day of the season.

A big thank you to Luke Olsen and staff at AFL Riverina for their tireless work with the management of the RFL competition, and to the Riverina Umpires Association for their work on the field every weekend.

For the Bulldogs we've had four teams represent us in the Finals series this year and couldn't be prouder of our coaches, managers and players for their commitment to the Turvey Park Football and Netball Club.

However, it's our First Grade team that's been good enough to make it to the "Big Dance". Led by Dylan Morton, this team has grown in confidence and proved in the back half of the season to be a real handful for opposition teams. No matter the result today we know we'll get 100% effort, and the boys will leave it all out there. Up against the 'other' best team in the comp they'll get it done if they're good enough... Rip in Boys!!!

To our Bulldogs Committee & Members, I can't thank you enough for your support this year, it's been a ride and we'd do it all again in a heartbeat. We're all so proud to represent this great club and will continue to nurture the culture and competitive spirit that has always ensured the Turvey Park Bulldogs are a great success. Go Bulldogs!!!

Congratulations to our A Grade, A Reserve, B Grade, C Grade and Reserve Grade teams, who have all earned the right to play on that one day in September that we all strive to be a part of, Grand Final Day.

To have five teams representing MCUEFNC today is an achievement we are incredibly proud of. It doesn't happen by accident it comes from the hard work, commitment and belief of our players and coaches, along with the enormous contribution of our volunteers and supporters.

This has been a special season for our club, with all eight of our senior football and netball teams playing finals. That is an outstanding achievement and one that speaks volumes about the strength, depth and culture of our club.

A huge congratulations and thank you to all of our coaches and support staff. The time, commitment and work you put into your teams often goes unseen but today is a reflection of everything you have put in throughout the season.

COACHES REPORT

What a season it has been for our netball club. This year has been about so much more than what happens on the scoreboard. We have seen the continued growth of our club, the development of young talent through the grades and, most importantly, created opportunities for our juniors to step up and test themselves at higher levels.

Giving our younger players the opportunity to play up and learn alongside more experienced athletes has made all the difference at Collingullie Wagga Demons. It has built confidence, developed talent, and created a pathway for the future.

But what makes this particular group so special are the people within it. They genuinely care about one another. They encourage each other, celebrate each other's successes and pick each other up when things don't go to plan. There is no selfishness - just a genuine willingness to do whatever is needed for the team. We're just a bunch of great mates who get to do what we love every weekend.

This team has worked hard, challenged each other, supported each other and, most importantly, learnt to trust one another. They truly play as a team.

We are incredibly proud of every player, not just for what they have achieved on court, but for the culture they have created off it. It is a privilege to coach a group with this much talent, heart and belief.

Whatever happens on Grand Final day, this season has already been a success.

Mikaela Cole - Captain - Our captain has again had an amazing 2026 campaign. Mikaela is our club spirit who always leads on and off the court with heart! What you always get from 'Siddy' on the court is consistency.. intensity, pinpoint feeds and strong voice is what again has had Mikaela back in Team of the Year for 2026.

Kate Wallace - Kate has grown into herself as a leader in 2026. Besides Kate's natural athleticism on the court it's her leadership and voice amongst the girls which has really shone amongst the team this year. Planning fitness sessions, bringing drills back from Sutherland Opens Premier League trainings, whom Kate debuted this year for, Kate has taken her game to another level.

Rio Weidermann - After 2 separate injuries during the 2026 season, I almost feel that it only fueled Rio even more when she has hit the court!! Lucky to witness her energy and enthusiasm in those games, Rio is primed and ready to go for the Grand Final. Rio has definitely fine tuned her game this season, those 1% skills that is making her dangerous in our defensive circle!

Caitlin Wheeler - A studious and intelligent girl who also enjoys studying the game, Caitlin has added new elements to her game this season. Ball side, defensive tips/intercepts, as well as hardening up her attacking drives and creativeness has Caitlin sitting as a force in our centre court.. have absolutely loved watching Caitlin killing both attack and defence through our centre court.

Phoebe Wallace - Though, unfortunately Phoebe is out for 12 months with an Achilles injury there is no mistaking that she is still very much a fully committed member of this team. Phoebe is knowledgeable of the game and loves to plan, run, contribute and pump the girls. Her voice on the sidelines this back end of the season have been so amazing and invaluable for the girls. We wish Phoebe all the very best for her recovery… she was red hot the games she did manage to get in with us this season!

Kaylah Upfield - After not playing with Mango for a number of years after moving away and playing Premier League in Sydney, we were stoked when Kayla said she would love to come back this season, on weekends she is home. The strength and skills Kayla brings back with her are evident of the level she is playing.. Kayla is a powerhouse that all those watching will attend to.

Ash Reynoldson - One of the longer term players in this Mango team now, Ash has again had a solid season. Reliable in our shooting circle and dominant in the air, with her hands and in contests. Ash, like all the girls are excited to work hard for a Premiership under their belt for 2026. Ash has had a great season developing (mostly) younger players through both the club and her coaching business, passing on knowledge built over many years.

Sophie Male - After moving to Wagga this year, we had the pleasure of Sophie trialing with MCUE! Sophie came, already an accomplished player, being a member of the 2025 Farrer Team of the Year. Sophie is also as strong in attack as in defence through the centre court and a flare within her game that can't be taught. Soph has immediately fitted into this A Grade team on and off the court and the girls have loved having her.

Eloise Quintal - After a couple of years in our A Res team, El was elevated to A Grade for 2026. El has thrived in the exposure of A Grade and playing and continuing learning from all the girls around her.. El has worked hard this season, soaking in and applying absolutely everything taught and asked of her with a 'can do' attitude that needs to be commended! Eloise's superpower is her speed and ability to stop on a dime and reflexes to always be ready for any form of pass sent her way! Well done El.

Abbey Hunt - A multi-sport natural sportswoman, Abbey too was a member of our A Res team, before her rise to A Grade this year! The second half of this season has seen Abbey up her game! Focusing on Abbeys body positioning and game sense has paid dividends to Abbeys game and her effectiveness on the court, in both taking intercepts and transition down the court. Abbey has been getting better and better, week by week… loved being involved and this is just the beginning for this natural.
